

## **Wild Fire Damages Memorial Paver Company - Phoenix, OR**

The Leave Your Mark company is our EC-47 Memorial Plaza paver and engraver vendor.

Our point of contact with the Leave Your Mark company, Mr. Henry Cislo, advised on Tuesday (9/8/2020) that their company buildings were burned to the ground by the wildfires moving north along I-5. He said everyone in the company was safe even though they had only a 2-hour warning.

I have talked to Henry a couple of times since then and offered our full support and patience as they decide how to recover.

An update on our pavers project:

The installation of all pavers (574-4x8 & 401-8x8) is completed. Click this link to view photos of the installation process and completed plaza design.

I will send out another update when Leave Your Mark is ready to resume operations. In the meantime, we will continue to receive new orders and guarantee that all orders are accurately accounted for through the production process.
