If unpresented lapel pins need to be returned to the program office, please indicate and we will send you a shipping label.) The veterans and their families enjoyed the day and evening events filled with story telling, catching up on news from squadron mates, and refreshing old friendships with food, drink and merriment. The event coordinator, Ed Diehl, presided over the commemoration ceremony. He welcomed and presented 50th Vietnam War Commemorative lapel pins to 7 veterans at the reunion. Others attending had been presented lapel pins during the 2017 reunion. (On the way home, Diehl and his wife visited Stan Shloesser in Shiloh, Illinois, and made a special effort to honor Stan and present him a commemorative lapel pin too.) Special guest, Steve Rogers, attended and visited with EC-47 navigators to compare notes about previous work assignments with the aircraft navigation systems during the war. He was presented a lapel pin as well. It was a smaller group this year...the result of natural deaths, ageing and medical considerations for the veterans, wives and family members. But, it was fun, uplifting and rewarding. They have made plans to reunion at the same place during the first week of October, 2019. Thanks to the national commemoration for continued support for these events and for Ed Diehl's interest, coordination and involvement with the EC-47 History Site Commemorative Partner Program committee. Summary and attached photos provided by Ed Diehl, 362d TEWS, Aircraft Maintenance NCO (retired).
